

THE CLEVELAND MUSEUM OF ART
QUESTIONNAIRE

Dear

James Jacobs

We are trying to build a biographical record of Cleveland Artists for reference. May we enlist your assistance with the following data?

FULL NAME: James Bruce Jacobs

MEDIA: Welded Steel Sculpture

DATE AND PLACE OF BIRTH: 9-4-47

ART TRAINING - Schools, Scholarships, etc: None. I have trained myself by looking at (observing) others works and talking to them.

EXHIBITIONS IN WHICH YOUR WORK HAS BEEN SHOWN:

This is the first work that I have ever entered in any competition.
(i.e. the May Show)

COLLECTIONS WHICH NOW INCLUDE YOUR WORK: To my knowledge no collections contain my work, but it is possible. I have sold a few items to tourists in Waupaca, Wisc. (my summer home and workshop) and have not been able to trace (or keep track of) them.

AWARDS: Since this is the first work I have entered in competition, it is also the first award I have ever won (i.e. Juror's Mention)

PRESENT POSITION: I am a senior in college (Western Reserve University) majoring in history, and will graduate in June. My interest in steel structures (sculpture) is closely tied with my interest in Architecture. I will

be attending The University of Illinois for graduate work in Arch. in Sept.

We would greatly appreciate it if you would inform us of subsequent awards, purchases, exhibitions and scholarships. Thankyou for your cooperation.
